Testimonials

"We work for our clients" and it certainly is a moment of pride when our work is appreciated in a few words that are written by our clients. Given below, are a few testimonials received from them giving feedback on what they think of Catertainment products and services.

We would also like to thank all our team, the people who without them we would not have been able to succeed. The logistics team at the warehouse, the administration girls, and of course all our front of the house members.

"I wanted to just drop you an email and thank you and your team for once again supporting our events. I think over the past year we have built an amazing relationship and we really enjoy working with you guys."

- Liesel Papke Bridesmate, [Galleries Lafayette](#)

"We are very happy to make your acquaintance, Sajaya would like to thank you for your humble and utmost support in being part of our Grand Opening.

We were truly overjoyed with your cooperation and your service as it was a definite keypoint to our success and thus we were very pleased to have you be a part of this endeavor. We wish you all the best of success and hope to continue nurturing a mutually beneficial relationship."

-Balqees Sabir Abdalla, [Sajaya Young Ladies of Sharjah](#)

"After some starting problems in our communication everything runs very smooth and the beach dinner was a great success. It was one of the best dinners we ever had. So, in case we come back to Dubai for another event, be sure that I'll contact you again. Thanks for everything."

-Gabriele Elschner , [Madinat Jumeirah Events](#)

" It has been pleasure working with you! I am sure there will be many enquiries in regards to the outsourced furniture, etc. – Great that I know whom to recommend."

-Hyuna Oh, [Madinat Jumeirah Events](#)

"We both can't thank Catertainment enough for making our special day, so remarkable. It was a pleasure working with you, you made everything seem so easy. We will definitely keep you in mind for coming events! Thank you so much!"
